Request for Proposal (RFP)

For

Hiring Distributors for ISP and Yahclick Services

1. DEFINITIONS

1.1 Terms.

In this document, the following terms and meanings shall be interpreted as indicated:

“Approved” or “approval” means approved in writing.

“Bidding” means a formal procurement procedure under which sealed bids are invited, received, opened, examined, and evaluated for the purpose of awarding a contract.

“Bid/Tender Document” means the Bid/Tender documents issued by EA for the invitation of Bids/Offer along with subsequent amendments and clarifications.

“Competent Authority” means the functionary EA authorized by EA to deal finally with the matter in issue.

“Completion Date” means the date by which the Contractor is required to complete the Contract.

“Contract” means the Contract between Etisalat Afghanistan (EA) and the Contractor and comprising documents enumerated therein, such as the Conditions of the Contract, the Scope of Works, the Specifications and the Contractor's offer and correspondence relating thereto, the Bill of Quantities with unit prices to be provided by the Contractor after completion of the detailed design work, (where applicable) or as approved by EA based on the accepted bid with agreed to adjustments, Appendices and Addenda as well as any amendments made to any such documents in accordance with the Contract.

“Contractor” means the individual or firm(s) ultimately responsible for supplying all the Equipment/Systems/Material/Items and Services on time and to cost under this contract to EA.

“Contractor’s Representative” means the person nominated by the contractor and named as such in the contract and approved by EA in the manner provided in the contract.

“Contract Documents” means the documents listed in Article (Contract Documents) of the Form of Contract (including any amendments thereto) or in any other article in this contract.

“Contract Price” means the price payable to the Contractor under the Contract for the full and proper performance of its contractual obligations.

“Day” means calendar day of the Gregorian calendar.

“Force Majeure” means Acts of God, Government restrictions, financial hardships, war and hostilities, invasion, act of foreign enemies, rebellion, revolution, riot, industrial disputes, commotion, natural disasters and other similar risks that are outside of Contractor's and EA's control.

“L.o.A” means a Letter of Award issued by EA to successful bidder with regard to the award of Tender.

“L.o.I” means a Letter of Intent issued by EA to successful bidder with regard to award of Tender.

“Month” means calendar month of the Gregorian calendar.

“Offer” means the quotation/bid and all subsequent clarifications submitted by the Bidder and accepted by EA in response to and in relation with the Bid Documents.

“Prime Contractor” means the individual or firm ultimately responsible for supplying all the Goods and Services on time and to cost under this Contract to EA.

“EA's Representative” shall mean the representative to be appointed by EA to act for and on behalf of EA with respect to this Contract.

“Services” means any scope of contract which relates to supply, warranty, and other services and obligations of the Supplier/Contractor as provided in the Contract.

“Supplier/Vendor” (used interchangeably) means the individual or firm ultimately responsible for supplying all the Goods and Services on time and to cost under this Contract acting individually alone or as a “prime contractor” for a consortium.

“Supplier's Representative” means the person nominated by the Contractor and named as such in the Contract and approved by EA in the manner provided in the Contract.

Annexure-A

Scope of Work (SoW)

For

Hiring Distributors for ISP and Yahclick Services

1.0 Introduction:

Etisalat Afghanistan Etisalat, the UAE-based company is one of the world's biggest GSM/CDMA/operators, operating in 19 countries.

Etisalat launched its services in Afghanistan on 29 August 2007 with the aim of offering the best services at a very easy, convenient, and affordable cost, to help people reach one another. Etisalat Afghanistan currently offers its services to about 6 million customers across all 34 provinces in Afghanistan. In addition to offering the best services at affordable costs, Etisalat Afghanistan also attends social and welfare programs in order to give back to the community and help economically weak families.

Etisalat's mission is to make its products and services to every nook and cranny of Afghanistan, through its flagships and rich distributor /retailer channel.

The purpose of this SOW is to recruit Enterprise Business Distributors who are willing to become Etisalat partners in addressing the Telephone needs of the people of Afghanistan.

Our Promise: Any Time

Etisalat Afghanistan has a variety of innovative services with its current packages and promotions and offers.

We promise to provide you with the most efficient and compatible products to enable you to maintain a sustainable business.

We will offer you services and provide you with better opportunities to conduct your business relations in your most desirable way to, as we are already doing in other countries around the world.

2.0 Scope:

2.1 This scope of work details the requirements essential to being selected as ISP and Yahclick Services Distributor.

Etisalat Afghanistan ISP and Yahclick department looking for hiring distributors for ISP and Yahclick services in different regions in **Afghanistan**. This project aims to expand ISP /Yahclick reach and market presence by establishing a strong network of distributors across different regions in Afghanistan.

Etisalat Afghanistan has two broad customer segments:

Mass Market

Enterprise Business:

The distributor to be recruited in this process would be solely for the Enterprise Business Segment and the primary function would be customer acquisition and product education in selected Afghanistan provinces.

Only those service providers (vendors) registered as legal commercial entities for the provision of distributorship services would be allowed to participate in the selection processes.

All existing Etisalat distributors for the Mass market are not eligible to participate

3.0 Background:

Etisalat office is located in Hajj Yaqoub Building, Share-Naw, and Kabul. To ensure reaching out to the Business segments in Afghanistan, Etisalat would like to use business entities registered with it as distributors to reach out to its customers and potential customers in the business segment across all 34 provinces in Afghanistan.
